

Autumn 2022 Newsletter

Dear members,

We hope that you have been enjoying your tennis this year and will continue to do so throughout the autumn and winter months.

Winter matches have started and we are always looking for more players to join the teams. If you are interested in playing matches then please contact Ange or Shane, (07790824709) they would be pleased to hear from you.

Social tennis continues on Tuesday evenings and also on Thursdays and Sundays (weather and court availability permitting) Please sign up to the WhatsApp group to keep up to date with who is playing and at what time. There is no charge for using the floodlights during group sessions, however, individuals using the floodlights will need tokens to switch them on. Lindsey has tokens (07811294108) and they are £2.50 for half and hour. Members are also reminded that there is a visitor fee of £5 per person per session.

The junior tournament was very successful and no Saturdays were missed by the juniors due to rain (in some cases, the weather was too hot!) Thanks to Nicola for steering our juniors through another successful and enjoyable season.

Winter Maintenance is on the agenda and many hands make light work. Everybody and anybody can help. There will be a multitude of jobs to do, big and small – Simon will be supervising and guiding us. We will let you know dates very soon. Thank you in advance for your help.
