

LIFETIME ACHIEVEMENT AWARD ROGER HENRY RAMSBURY TENNIS CLUB

Roger has been a stalwart of his club for well over forty of its fifty years existence, playing a pivotal role in growing the club to its present seven courts, across three playing surfaces with over 400 members, including some 120 juniors.

He has made an outstanding contribution across a broad range of activities, as a committee member, long-standing chairman, player, coach, junior co-ordinator and ever willing all-round helper.

He has been a champion of increasing participation in tennis throughout his time with the club. As well as acting as coach himself, he has led the development of the club's coaching programme over many years.

He has also been involved with Wiltshire Tennis for well over 40 years. Firstly, as a 'Green Shield' coach before joining the Junior committee and being a founder member of the Wiltshire Tennis Coaching Association.

His current role is the County Tennis Chairman and his knowledge and enthusiasm for County Tennis and in particular junior activities is unrivalled.

He is an incredible role model and his achievements at Ramsbury Tennis Club and Wiltshire Tennis are remarkable. The club and County would not be where it is today without his many years of dedicated service.
