

RISING STAR AWARD ANDREW RAMSBURY TENNIS CLUB

Andrew is a participant in the LTA Young Person's Welfare Ambassador project.

At 13 years old he is the youngest of the 25 Ambassadors and he's thrown himself into the project with maximum enthusiasm and effort.

He has raised awareness of safeguarding among young players and helped promote a safe and inclusive tennis environment at his club.

He has created junior club days, created an action plan for his club aimed specifically at the younger players and also had the brilliant idea to run a Safeguarding quiz for the club's 120 juniors.

In the company of other juniors of all ages, he engages with them with natural people skills.

He plays in the top ladder for his Ramsbury Tennis Club as well as for Wiltshire Tennis. However not only are his playing skills most impressive, what also really comes across is his manner and ever smiling face which radiates happiness to all those around him.
