

# CLUB TOURNAMENT 2024 RULES

## Tournament eligibility

All participants must be current members.

## Organising Games

A contact list for players will be provided along with a copy of the draw (which will also be published on the website). The first named player/pair is responsible for contacting the opposition and arranging the match. They are also responsible for supplying four tennis balls in good condition and arranging the court booking. They also get to choose what surface the match is played on.

Failure to meet the deadlines will result in the offending player(s) being disqualified from the tournament unless there are exceptional circumstances and you have arranged your match for an imminent date. Please contact Neil in the event of a problem.

## Dates

Each round of matches must be played by the dates stated at the top of each round and Finals are planned for **Sunday 21<sup>st</sup> July** – please keep it free!

Keep an eye on the draw sheets on the website which will be updated as soon as scores come in so that you can arrange your next game as soon possible.

<https://clubspark.lta.org.uk/ramsburytennisclub/Events/ClubTournament>

## Matches & Results

Matches are the best of three sets with tie breaks in the first two sets at 6-6. If it is one set all then the match will be decided by a Match Tie Break to 10 points.

After playing a match please could the WINNER send in the score to the email address [ramsburyclubtournament@yahoo.com](mailto:ramsburyclubtournament@yahoo.com). Neil will then update the draw sheets and you'll be able to see who you're playing next.

## Plate/Consolation Events

There will be a plate/consolation competition for all the events where the original draw size is 16 or greater. These are for all players/pairs who lose their first match subject to sufficient players after any withdrawals during Round 1/2. The draw will be posted after Round 1/2 and all qualifying players will be notified by e-mail. **Please play your first match ASAP so that the plate draw can be finalised.**

## Photography and Media

As required under our Club policies, we will ask for your consent to use photography on the website, in local press and on social media. You will be able to say yes or no to this in a separate request.

## Questions or problems

Please e-mail Neil Little at [ramsburyclubtournament@yahoo.com](mailto:ramsburyclubtournament@yahoo.com) or if more urgent contact him on 07572 031619

**Good luck everyone and enjoy!!**
