

MEET THE COACHES

Alan Cutts – Head Club Coach

My role is coaching and overseeing the coaching programmes for We Do Tennis at multiple venues.

My tennis career started after enjoying a tennis holiday course at the age of seven. Since then, I have racked up twenty+ years of coaching and tennis management experience. I have coached abroad and all over the UK.

I worked for thirteen years at Ilkley tennis club working my way up to Rackets Manager and Assistant Tournament director to a major pre-Wimbledon ATP/ITF event.

I have played to a high standard always representing local clubs. I had the great honour of playing over 35s for Yorkshire at Eastbourne.
