

## **Membership renewal**

The free extension that was offered to members for the 2019-2020 season is coming to an end on the 30th of June. To continue uninterrupted membership please renew before the end of June. As explained in a previous email, we are

offering a three month membership to cover the months of July, August and September. We will have more guidance in the coming months about reducing restrictions and the return of league matches and will have appropriate membership packages to see us through to the end of March 2021. The renewal process is very simple and is all done online. Please follow the link for membership on the website, select the appropriate summer membership package and pay online using a credit or debit card. Please email us if you are having difficulties. If a membership is not renewed, you will lose access to the court booking system and you will not be able to attend any coaching program or individual coaching sessions. Please email back if you require any advice or guidance on how to proceed especially if you have a family membership at the moment with a child likely to move away for university in September or October.

# **Doubles ladder league**

Now that doubles play outside of households is allowed, we have created doubles ladder leagues (mens, ladies and mixed doubles). Please follow the links on the website to sign up to them. To reiterate, the idea of the ladder leagues is to encourage you to play against

someone or a pairing that you may not normally play against whilst club organised social play events are not permitted.

### Welcome to new members

We have welcomed many new members since we reopened. Many thanks for joining and we hope you are enjoying playing. When restrictions can be relaxed, we will have teams playing competitively across all age groups from under-8 to veterans against other local

clubs. We will also commence matchplay and social play - all free of charge and included with your membership so please renew for the summer and enjoy the good weather and get involved in some competitive play.

# **Court bookings**

If you find that you are unable to play after having booked a court, please cancel your booking so the court is made available to somebody else. There have been a number of occasions where there have been 'no-shows'. To cancel a court click on your name on the top right of

the screen. This will bring down a small menu. Click on "Profile". This will take you to a page where you can see your upcoming court bookings and allow you to cancel them. A feature that has recently been added to the booking system is the ability to add the names of all the players on the courts. Whilst this is not compulsory, we would encourage members to do so to aid contact tracing if the need was to arise.

## Individual lesson offer

Just a reminder that Chris Cash is offering a half price first 1-2-1 lesson to anybody that has never had a 1-2-1 lesson at the club before. The lesson must be booked and taken before the end of August. To book or for more advice, please email Chris at

chris@rugbylawntennisclub.co.uk.
