

Rutland Tennis Academy

Welfare Officer: Safdar Alam

About me: I currently work in the NHS. I've enjoyed watching tennis since I was at school but never had the opportunity to play. After moving to Rutland, I was able to pursue my long-term passion and joined RTA Uppingham in 2018. It has been one of my best decisions! My favourite players are Roger Federer, Pete Sampras, Novak Djokovic, Maria Sharapova and Martina Hingis.
