## PLEASE NOTE:

- Junior lesson times and court availability may change at short notice depending on the demand and number attending each class.
- Potential new members are able to attend TWO trial sessions at any of the above sessions by prior arrangement only.  
Potential new members are asked to take note of level of play before attending a session.
- All above sessions are open to MEMBERS ONLY.  
Visitors may book courts (£10, or £5 if playing with a member), but are no longer able to join member sessions.
- Members are asked to take note of the level of play in each session.  
For example, it would not be appropriate for a beginner to join a TEAM PRACTICE session.
- During Winter months non-members can only book during daylight hours.  
This is due to clubhouse being locked and floodlights not being available.
