

Welcome from the Chair

You are probably aware from recent emails sent from the committee that starting October 2023, I have volunteered to be the Chair of the Slinfold Tennis Club (STC) committee. I am particularly honoured to take over from someone that I have known personally for over 45 years. Andy Gentry did a magnificent job for STC - managing the committee, maintaining facilities, running three club sessions a week (including the introduction of Saturday afternoons), organising

tournaments, expanding team tennis and increasing membership. We should all thank him for his time and commitment to the sport of tennis in general and to this tennis club specifically.

Let me introduce myself very briefly. A member of STC since 2003, I play Saturdays, Thursdays and socially during the week. I was Captain of the Men's II team for eight years when we first introduced that team in 2008, and I still turn out for the men's teams. I joined the club committee 18 months ago. Frustrating and joyous at the same time, I love playing this sport and enjoy observing others do the same.

"What are the club's priorities for the next few months / years?"

First of all, safeguarding. The club's commitment to safeguarding was assessed during a surprise visit by an LTA inspector late last year. We were highly praised for our activities in this important area. Safeguarding for me is not just about the club's policies. It is a culture and, together with on-court etiquette, means that everyone should feel comfortable, happy and safe whenever they visit or play at the club.

Key Dates

- Sun 7th April - Working Day
- Fri 24th May - Music Night Retrotonic
- Sun 16th June - Men's & Ladies Social Tournament & BBQ
- Fri 26th July - Summer Quiz
- Sun 18th August - Mixed Doubles & BBQ
- Mon 7th October - AGM
- Fri 6th December - Christmas Quiz Night
- Sat 21st December - Santa Smash

Also look out for Meal Nights, Film Night , Club Tournament...

Welcome from the Chair continued...

Finance: Regarding investment in the club's facilities, we are fully committed to enhance the infrastructure of the courts, facilities and the clubhouse. In 2024 for example, we will make the switch to LED lighting to reduce costs and improve evening play. Our finances are healthy and we always need to find that balance between ongoing financial security and investment in new facilities.

Coaching: The coaching of adult and junior members - we are all improvers in this sport - is also an important activity where we see members progress from introductory coaching to social tennis and then onto team tennis. We will see how coach-led social sessions work in 2024.

Membership: The good news is that our numbers are consistent with pre pandemic levels. We warmly welcome members of all abilities to this club. Our highest priority is to retain our existing members and it is also incumbent on us to attract new members. From analysis of our existing members, we know that 60% of the adult membership live within five miles of the courts. Marketing and communication can always be improved as competition for membership from other local clubs remains very high.

Social activities: We had a fun and busy 2023 and will continue this in 2024. In June, we had the club's internal Doubles Tournament (unfortunately the Mixed Doubles had to be cancelled), an evening of summer dance with a member-led band 'Retrotonic' and last but not least a very well attended Christmas quiz in aid of St Catherine's Hospice where we raised over £238. In 2024, we are planning another busy round of social events including music nights, tournaments, quizzes and BBQs. Informal tennis-led socials for members using the clubhouse facilities are actively encouraged as well.

Team tennis: For those that thrive on playing other clubs continues to go from strength to strength. We will have three Men's teams in the Sussex leagues and, first introduced in 2023, a second Ladies' team to join the firsts. Team tennis may not be for everyone and it is important to note that there are ladies' and men's groups who self-organise their social tennis, so there should be something for everyone. There are also 'Over 60s' Men's Doubles and Ladies Doubles Box Leagues which encourage court use during the day.

Padel Tennis Court: You may have heard of a possible padel tennis court. Slinfold Parish Council have had initial discussions about the potential of half-funding such a court. The introduction of padel tennis represents a strategic shift for STC and requires extensive review including consultation with existing club members. My commitment to you is that all members will have a voice as this story develops.

And in closing, let me now thank the committee for the time and outstanding support they give to maintain STC as a thriving hub of sport and a focal point for the community. Please don't hesitate to discuss any issue with one of the committee members.

Finally, Peter Gawn, our Club coach, always remarks that the spirit at this club is the best he experiences anywhere he goes and that is something as a committee and all its members, we should be very proud of.

To any prospective players reading this newsletter, please come and join us and see for yourself.

Please continue to enjoy your tennis at Slinfold Tennis Club.

Peter

Team Tennis

TDS Ultra Winter 2023/24 League Results as at 17th February:

- Mens 1 : Div 5** Played 5, Won 2, Drawn 2, Lost 1 - currently in 3rd position
Mens 2: Div 9 Played 5, Won 1, Drawn 2, Lost 2 - currently in 6th position
Mens 3: Div 11 Played 5, Won 0, Drawn 1, Lost 4 - currently in 8th position
Ladies 1: Div 7 Played 5, Won 1, Drawn 1, Lost 3 - currently in 5th position

TDS Summer 2023 League Results:

- Mens 1: Div 5** Played 6, Won 5, Drawn 1, Lost 0

We came first in the Division (!) so will be promoted to Div 4 for Summer 2024 and we have collected the League Trophy that is displayed in the clubhouse. Andy Gentry had 10 wins, Archie and Simon Stokoe each had 8 wins. Finn Tellwright, James Eager and Archie were unbeaten.

*Top photo: James, Finn, Archie and Benjy - Mens 1
Bottom photo: Ian, Simon, Andy and Archie with the Trophy*

- Mens 2: Div 10** Played 7, Won 4

We came fourth in the Division. Adrian Booker won 8 matches and Jon Hughes won 6 matches. Twelve players played in all.

- Mens 3: Div 13** Played 6 including 4 draws

We came sixth in the Division. Peter Bird 5 wins, Mark McCord 4 wins, Jonathan Rawnsley 3 wins.

Ladies 2 enjoying Christmas lunch

- Ladies 1: Div 8** Played 6, Won 4

We came second in the division and so will be promoted next summer! Elspeth de Villiers played 10 and was unbeaten! Jo Bardot and Shirley Parker-Smith won 8 matches.

- Ladies 2: Div 12** Played 6

A good win for first time away at Henfield! And 2 draws. Came fifth in the Division. Sharon Hall and Fran Zimmermann won 5 out of their 6 matches. Nine players overall in their first ever squad.

Many congratulations and thanks to everyone who represented the club last Summer. The first time we have ever had 5 teams which provides match tennis for a significant number of our members and we managed two promotions!

Well done to all

Simon

Ladies Club Sessions

This is a free, non-bookable, morning of social tennis open to all lady members of the club.

It takes place every Thursday from 10am to midday and can be enjoyed throughout the year.

The number of ladies attending each session is usually between 8 and 12. This means that there is always court availability and a variety of partners and opponents. Those who have been attending are a mixture of ages and ability and we try to ensure that everyone gets the opportunity

to play with different players. It's a great way to improve your tennis and make new friends.

Sometimes we have coffee, tea, and biscuits at the end of the session and occasionally we organise lunch in the clubhouse after play for special occasion such as birthdays and Christmas. These occasions are always fun with great food. Last August we all enjoyed a "smashing" triple birthday party when three of us reached a rather high birthday milestone. Everyone got together, "serving an ace" lunch with delicious cakes, and of course, a bit of bubbly!

Prospective lady members of the club are welcome to come along and try the club before deciding if they would like to join. So, if any member wishes to bring a friend along as a guest, they can be sure that they would be made very welcome.

If you would like to come along or need any further information please contact:

Sally Coren at: sally.coren@gmail.com

Safeguarding

I am pleased to say again there were no safeguarding issues that I have had to deal with during the past year. During the year all our Safeguarding policies have been reviewed and updated as necessary. All are on the website, please ensure that you have a read of them sometime.

As Peter mentioned in his Chair's piece, in October we had an unannounced and unaccompanied visit from the LTA's Regional Safeguarding Officer. He looked at what we had both on our noticeboard and website with regard to safeguarding. I'm pleased to

say he only made some minor suggestions one of which was to have a dedicated Safeguarding tab – this despite we were using the LTA's website template! However, after some fiddling around, Helen has managed to achieve this. He finished off his email by saying 'thank you for your engagement and congratulations on your good work'. My thanks to the Committee and members for your support.

If you do have any safeguarding or welfare issues please contact me:

01403 256117 or dzgubb@yahoo.co.uk

David

Events

The Slinfold Tennis Club Events calendar started in June with three events. Firstly an Open Day, which was enjoyed by all and attracted some new members.

Next, last year's Men's and Ladies' doubles competition was a fine success played in lovely sunshine. It was a good turn out with ten men and ten women who gave great symmetry on court. Jacqui and Marina winning the Ladies trophy and Peter and Duncan winning the men's. Others joined in later for the very popular BBQ.

Peter and Duncan

Jacqui and Marina

Thirdly, we had a very enjoyable evening of live music by RetroTonic. It was a chance for dancing and singing (not always in tune) and clapping to the brilliant music. The fabulous band is lead by front man Anthony Tidy one of our members. His band mates Andy and Chris gave vocal harmonies and guitar backing to Anthony's fantastic vocals. They covered songs from many artists such as Elvis, Beatles, Doobie Brothers, Guns and Roses, Tina Turner, REM, The Eagles.

In October we had our AGM. Prior to the meeting there was a presentation, led by Simon Stokoe, to Andrew Gentry thanking him for his five years as Chair which was attended by 30-40 members. It was good to see so many members showing their appreciation.

The Santa Smash was the last event of the year. It was a great success with twenty eight members joining, probably the most since it was introduced. We had lots of laughs and fun. Mulled wine (non and low alcoholic) cups of tea and some chocolates were available. Getting us in the mood for Christmas.

This year the Committee has a very exciting 2024 calendar of events, see the front page of our newsletter or keep an eye on the noticeboard or website.

Helen

Popular Quiz and raffle raises funds for St Catherine's Hospital

In December we had our very popular Christmas Quiz. It was hosted by Quiz Master Andrew, our ex-Chair.

The club house was full and six teams entered. Halfway through the quiz the fish and chip supper arrived, courtesy of Neal and Fran. Father Christmas aka David Gubb kindly acted as barman.

During the evening there were several raffle prizes to be won. And our nominated charity of the night St Catherine's Hospice received a £238 donation.

Cheque presentation to St Catherine's Hospice

Coaching

Our coaches are approved by the LTA to coach adults and juniors. All coaches are DBS checked, and have had First Aid and Safeguarding Training. They offer a range of regular adult and junior group sessions and all coaches can also be booked for private individual or group lessons.

Peter Gawn

Peter has been our Head Coach for many years. He has plenty of experience as player and coach and can give good advice and help you to improve your tennis. At our club he runs two adult group sessions per week, on Tuesday mornings and in the summer months only on Friday evenings, starting in May. Peter also coaches a substantial number of adult private lessons. If you would like to participate in one of his group sessions or if you wish to book a private lesson, please contact **Peter, mob 07710 677270 or email gawntennis.com@gmail.com**

Nigel Matthews

The Matthews Tennis Coaching (MTC) team provides tennis coaching at our club as well as at Storrington, Steyning,

West Chiltington, Barns Green and Broadbridge Heath tennis clubs and at a number of schools within West Sussex.

Director and Head Coach Nigel Matthews is a highly experienced and well respected LTA approved Level 5 coach and has been Head Coach at Storrington Lawn Tennis Club since 2007.

Ruby Lane

Ruby Lane has been part of Nigel's coaching team since 2020 and coaches in Slinfold, Steyning and Storrington tennis clubs.

She is a qualified LTA Level 3 coach and plays for the Storrington teams doubles and singles in the Sussex 1st division. Ruby runs our junior coaching groups and private adult and junior lessons.

Ruby's contact details are: mob: 07801 992677

Adult Coaching

We are planning to review our current adult coaching offer to see if we have court space, coach availability and enough interest to introduce additional adult group coaching. If you would like to make any suggestions please contact any member of the Club Committee.

Sessions

Tuesdays: 10.30 - 12.00: Mixed Improvers

Fridays: 19.00 - 20.30: Skills and Drills

Have you tried our Feed Buddy?

Waiting to play by the patio doors...

Coaching

Junior Coaching

We have a number of junior group coaching sessions for various age groups during the school terms. As in previous years, we will also offer holiday camps and some of the MTC junior competitions will be held at our club.

The emphasis in our junior coaching sessions is to have fun and to learn playing tennis at the same time. It's a great opportunity for the juniors to practice an outdoor sport and to meet other children / teenagers. The sessions run weekly during term times and are booked for one term but it's possible to have a FREE trial before committing. Please contact the coach beforehand. Subject to places available it is also possible to join the coaching programme at any time throughout the term.

Any player who is participating in the junior coaching needs to become a club member after three sessions or pay a non-member fee additional to the coaching fees. The junior membership fees and the coaching fees are very reasonable. Details of our membership fees are published on the website.

www.clubspark.lta.org.uk/slinfoldtennisclub

It is planned after Easter we will participate in the Prime Video LTA Youth Girls programme. This is an exciting new programme just for girls. The Prime Video LTA Youth Girls Programme was designed by Prime Video and the LTA to introduce young girls to tennis and motivate them to stay in the sport, has already inspired over 3000 girls to pick up a racket and try tennis for the first time. The six-week introductory course is packed with games and exercises to build confidence and skills on court whilst having fun. The course costs £35 for six sessions of coaching, as well as a t-shirt, tennis racket and tennis balls.

Sessions

Mondays

16.30-17.30: Orange/green balls 10 & Under

To join or to try out any junior sessions contact Nigel Matthews or book through the booking app Matthews Tennis Coaching which can be found in Google Play Store (Android) and in the App Store (iPhone).

Wednesdays

15.45-16.30: Red balls 8 & Under

16.30-17.30: Orange balls 9 & Under

17.30-18.30: Yellow balls 12/13 & Under

18.30-19.30: Yellow balls 18 & Under

Register yourself and your child / children. Look for Slinfold Tennis Club and find the coaching session you would like. You can then book the player onto the session and pay online.

Coach-Led Social Sessions

For many years, social sessions at Slinfold have been very successfully organised by its committee/members - Andy Gentry did a truly magnificent job running all three per week - and we receive excellent feedback on them. Recently I attended a Horsham Tennis Clubs' Forum meeting and many clubs said that some/all their social sessions are organised by their coaches. This is intended to offer different LTA-approved games for members to play, tactical advice on court for doubles play and to improve the general standard of tennis as a club and for individuals that want it. Some of our members had also asked for something similar to improve match play.

The committee therefore decided for a trial period to have selected Mondays (Mixed) and Thursdays (Men) sessions run by our coaches and see what happens – you will receive an email about this soon. If feedback from members proves positive, we could for example have two social sessions a month (out of the 12) run by a coach, the others remaining as today, ie run by committee members. If after the trial period members do not want any coach-led club social sessions then we cease to run them.

We will keep you up to date...
Feedback to any committee member is always welcome.

Peter

A Poet in our Midst - Slinfold TC 2023

Another year at Slinfold tennis, a new face in the Chair,
He's been on holiday already, but please do not despair.
LED lights are on their way, so that is pretty handy,
Plus Peter Bird's tracksuit bums, are higher up than Andy's!

Mark Ponton's still the treasurer. Man, that guy is thrifty,
Inflation busting sessions, they now cost two pounds fifty!
The tea bags, beers and tennis balls, in the sale they're
always bought,
The new terrace chairs he built as well, and soon a Padel
court?

And what of members' numbers you ask? Well things are pretty booming,
There are lots of you at every session, so the fourth court now is looming.
The Ladies' Twos have started well, they're proving to be winners,
Though judging by their wine intake, they're also naughty sinners!

Members' health has been a feature, from knee to hip to pelvis,
But surgeries have gone quite well, as you danced away to Elvis!
The quiz, and comps and curry nights, have filled the club with cheer,
Which is more than can be said in truth, whether it's Rishi or it's Keir!

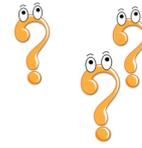

Simon

Clubhouse and Grounds

Hi All, and how can I make this interesting!

Well there are a few things straight off the bat or racket in our case. Although we keep it fairly tidy, real cleanliness is now being achieved again with the welcome addition of a clubhouse 'lookerafterer'. This does not mean that we have to go out of our way to make a mess or assume that someone else will clear it up, but hopefully will engender pride in our club assets.

Spring work party day - Sunday 7th April

As you can see in the Club Calendar our spring work party day date is Sunday 7th April. I'll soon be organising the job list and hoping for volunteers to sign up for a task or two even if they can't make the day....many hands make.....

The defibrillator remains unlocked in its wall box but is now sited in the clubhouse for security. It should remain reasonably accessible as the building is largely open during play and many members now have key access to the building. Another option is to use the second defibrillator next to the front door of the Football Club building. This will mean making a quick call first from its box.

You will have noticed the two new eight seater benches and tables. These were requested by members and virtually paid for by a legacy from our late President, Jack Allum. They are very heavy and require a minimum of 4-6 members feeling very fit to relocate them, but please don't try to lift or push them by their backrests as you'll probably end up pulling these off due to the sheer weight. They are where they are for the time being and we have parasols for them too for when the strong sun comes back! We also have a couple of additional court benches on order as I write, to replace the useful umpire chairs for player bits and pieces as well as a quick rest!

There are a number of repairs currently taking place to maintain our high standards. Added to this we should soon be replacing our ageing expensive to maintain court floodlights with modern carbon saving lower energy LEDs. They should be a bit brighter too.

There is a possibility that the club might install a Padel Tennis Court in the currently grassed area next to the clubhouse. This is an ongoing project. It would probably be an open-air court like our tennis courts due to possible planning restrictions and affordability. It would be a fantastic addition but only as I say a possibility at this stage. We are working with Slinfold Parish Council on this project.

We are always listening and acting where possible to improve our member experience at Slinfold, we want you to love playing tennis and Slinfold Tennis Club. **So please let the committee and me know.....can't do it all, but we can try, let's make it happen people! Thanks**

Mark

Things you need to know about your Club...

- The clubhouse is kept locked but you can request a key from Mark Ponton for a deposit of £15.
- The kitchen is fully stocked with kettle, crockery, oven, fridge and even a cafetiere! Please wash up any items after use.
- Floodlights are controlled from the lightboxes on the wall near the front door. You can purchase tokens (£4/hour) from Mark Ponton. Instructions are on the lightboxes.
- The courts are locked on either side with a padlock. The combination will be updated and a new number provided on renewal of your membership.
- Old match and club night balls are left in a box in the kitchen, please help yourself for practice sessions.
- Members are allowed to bring visitors to play (but no individual more than 3 times) subject to paying £3 per visitor (put in Coke can in kitchen). For insurance reasons the visitors book **must** be signed.
- Please use shoe brush or change your shoes before entering the clubhouse.
- Please sweep and put furniture back in place after matches etc.
- Please do not try to move the two new picnic tables.

Courts can be booked via the website, please do so.

www.clubspark.lta.org.uk/slinfoldtennisclub

Our Marketing Plan

The committee has been busy discussing a marketing plan for the club.

Competition for players – both adult and junior – between clubs in the Slinfold/Horsham locality is quite tough and we need to ensure that the tennis experience at Slinfold differentiates us in order to maintain current membership and attract new members to the club.

We analysed the current membership and found that that 40% of all members live within just one

mile of the courts, >60% live within five miles.

Our current offer includes outstanding all-weather artificial clay courts, hosted club sessions, five teams in the Sussex Leagues, competitive membership fees, modern clubhouse facilities, expansive off-road parking and an excellent reputation for 'friendliness'.

As an input into the marketing plan, we also intend in 2024 to carry out a survey of the current membership asking for feedback on current and future facilities, projects (padel, 4th court), coaching and social tennis. We will then plan and implement communication activities starting with the local community, school and other (non-tennis) sports clubs using our website, social media, flyers and Open Days.

Peter

The Old 'Holbrookers' and New 'Slinfolders'

I'm writing this on the first weekend of the New Year. Twenty four people had braved the biting cold to play in the Saturday session. It took three people to run the session, such was the excitement about a rare dry day combined with a chance to run off some of the season's excesses.

It also spurred me to write a piece about the 'Holbrookers'. The name originates from those that learnt to play tennis at the Holbrook Sports and Social Club in North Horsham. We'd always enjoyed our ham, egg and chips with a beer or two at the club after a gentle hit on a Friday night. We grew as a group and experienced life's twists and turns which, if I may mention it, saw funerals and a marriage.

Gradually we became good enough to consider moving to a dedicated tennis club. Contact was made with the then chairman of Slinfold Tennis Club, Sid Charlesworth in, I believe, 2017. He was very helpful and allayed at least my fears that we wouldn't be good enough to all grow and flourish within the club.

Sid kindly invited us along to a session or two. I seem to recall Anne M, Jackie R, Iain C, Marie C, Fran Z and myself went along on a Saturday. In those days Saturday

sessions had only just got started and needed numbers.

Immediately we were able to assist!

On a thoroughly rain drenched Open Day with no tennis able to be offered but a discount for joining on the day, ten men and ten ladies joined and became known as the 'Holbrookers'. I remember being nervous for all of us at our first social club tournament. It was a big unknown step for us to join an actual, proper tennis club and tournament. Imagine my pride when Fran and Sharon H were paired up and won the Ladies Doubles. Over the years Tom P, Dave H, Kathy L, Helen T, Jackie, Angie P and myself have all got to a final or won awards on the day. Some of us have even won the coveted, tiny, tin cups. A number of us have been seen cooking the BBQ too. Over cooking it actually but we'll get better.

We are that bit older now and some of us have retired and play during the day. That can include the Ladies' and Men's Over 60's Box Leagues. A notable case in point was Kev E who amassed the most points with his partner in the inaugural league.

I believe I'm not alone in thinking

our presence has given a critical mass to the mixed sessions, particularly the Saturday version. With the further addition of Geoff B, and David F to those mentioned thus far the club had enough men to enter a Men's Third team. Fran and Sharon have also reprised their partnership and along with Jackie, Kathy, Anne and Angie have helped both with numbers and results with the also newly formed Ladies Second team. It should also be said that Marie, Helen and Angela B are members of the successful Ladies first team.

And it hasn't stopped there. Although we've lost Bernie O to table tennis, Paul M to his grandchildren, Tom H to Cuckfield and Jane F to her latest exercise regime, we have since had other 'Holbrookers', namely Colin N and Dave J join us in recent seasons.

So if you hear the term 'Holbrookers' around the club you'll know who we are and where the term came from. We feel quite established at the club now and see ourselves as proud Slinfolders who share a strong, common history and will continue to make more new memories with you all at STC.
