New Clubhouse Update

After 33 years, Somerton tennis club will shortly be the proud owners of a brand-new clubhouse.

Led by a team of volunteers, the existing clubhouse was recently demolished; thanks to all that have helped!

The next phase involves groundwork preparation and the pouring of a concrete slab base from 16-19 October. The courts will have temporary closures again for safety during this work.

We hope to install the new clubhouse shortly thereafter.

Website Changes for Somerton Tennis Club

As part of our ongoing efforts to modernise and simplify the administrative functions carried out by the club's volunteers, Somerton Tennis Club will shortly be switching its website fully to the LTA's Clubspark site.

Our updated site now includes an online payment function for membership via "GoCardless", which allows members to specify their bank sort code and account number to make secure one-off payments processed as direct debits, or via "Stripe", a credit/debit card payment option. All future membership payments will be processed using one of these methods.

In addition, payments for public court bookings are also managed using the "Stripe" system, saving a significant amount of time and resources, plus simplifying visitor access to our courts.

Summer League Results

Somerton's three men's teams celebrated a triumvirate of third place finishes in Divisions 3, 4 and 5 of the 2021 Yeovil & District Tennis League.

Men's Captain Matt Brown commented "I am very proud of all the players that have represented Somerton this season. These results highlight the team's development and showcase the strength & depth of men's tennis at the Club".

Meanwhile, despite an enjoyable season, the two women's teams found the going a little harder in Divisions 1 & 2, following their unexpected promotions the previous season, pre-covid. Without a number of regular players, the teams finished in 7 & 8 place respectively.
