Useful Membership Information

- The key fob electronically opens the outer & inner doors to the club. The operating point is to the left of the main door. The lock operates for a few seconds, though if coaches are present the door is often left unlocked. For those without a fob, the door can be accessed using the code C3015X. This code will be changed periodically. Updated codes can be found on the website.
- It is important that the door is left locked and ALL lights are off. If you are the last to leave please check. The 'snibs' are built into the face of the locks.
- The floodlight key is kept on a hook in the kitchen. This opens the floodlight box outside. Please return it after use.
- Lights will only operate between 7am & 10 pm (condition of our lease). Please remember to switch off the lights as you leave a courts if no one is playing after you.
- Please remember to sweep the courts after use, even if someone is playing after you.
- The mini courts are locked with a coded lock. The code is the same one as the clubhouse. Please note that child members can only play on the mini courts if supervised. (Safeguarding). There will be a key lock into court 3.
- All court bookings are now made online.
- The suggestion and maintenance books are kept on the counter in the club house. Please date and sign any entries. We welcome your feedback.
- The balls in the storage box are for members use.
- Alphabetical pigeon holes for letters and communication are in the clubhouse.
- Use the kitchen safely: please wash up and pay for any refreshments used.
- A first aid box is available in the clubhouse. Please use the booklet to record any minor injuries and fill out an Incident/accident form for anything major.
- We run a number of ladies' men's, mixed and junior teams and competitions. Ask the coaches or any committee member for further information.
- We operate a continuous programme of maintenance and improvement to facilities whilst keeping subscriptions as affordable as possible.
