Organisation for Health and Safety Management

Stepps Lawn Tennis Club recognises its obligation to members and visitors to manage the health and safety risks arising from its various activities. The ultimate responsibility for health and safety lies with the Management Committee. The President is responsible the preparation/review of Risk Assessments. The person designated as the Health and Safety Officer is the President/Property Convenor, the logic being this person is known to be the point of contact for repairs/ issues with club property.

Related Health and Safety policies and procedures are provided online at clubspark/SteppsLTC/ClubPolicies and will also be provided in a Policy Folder available within the clubhouse. Included will be

- The Stepps LTC Health and Safety policy and guidance.
- The Stepps LTC Accident and Emergency Guidance document and reporting form.
- The Stepps LTC Use of Changing Rooms policy.
- The Stepps LTC Unsupervised Children policy.
- A Code of Practice for Members which sets out the standards which the club expects its members, their guests and members of the public to adhere to.
- Any other appropriate related document or procedure.

Risk Assessment Policy

Stepps Lawn Tennis Club will carry out an annual risk assessment of its facilities to consider potential hazards and take the appropriate action wherever necessary to ensure a safe and enjoyable environment for its members and visitors.

The President/Property Convenor is responsible for reporting to the Management Committee on such issues. If a member/user wishes to report a hazard or potential hazard, they should contact the President/Property Convenor.

Equipment and site maintenance will be discussed at appropriate Committee meetings. Any issues raised and appropriate action requiring to be undertaken will be listed in the minutes.

Risk assessments will include the following for consideration:

- Are surroundings safe and free from obstacles?
- Are the courts and any other area fit and appropriate for activity?
- Is the equipment fit and sound for activity and suitable for age group/ability?
- Are contact details available for parents/guardians/partners?
- Are players appropriately attired for the activity?
- Is a contact device available with access to emergency numbers?
- Do volunteers, staff, coaches and members have access to information relating to Health and Safety?
- Are emergency procedures published and accessible?
