

## VOLUNTEER ROLE DESCRIPTION

### Introduction

Suffolk Lawn Tennis Association is a county tennis association which is a member of the LTA, the National Governing Body for Tennis in Great Britain. The Association is generally known as Suffolk Tennis. Voting members are clubs within the County that are registered with the LTA. Schools, other educational establishments, and parks registered with the LTA and located within Suffolk are also supported by the County but are not voting members. The management of Suffolk Tennis is overseen by a volunteer Management Committee elected annually by its Members. The Management Committee in turn oversees several sub committees responsible for specific aspects of County Tennis.

The vision and mission of SuffolkTennis are aligned with those of the LTA: tennis opened up; to grow tennis by ensuring it is relevant, accessible, welcoming and enjoyable. The Association works closely with the LTA to promote and deliver agreed strategies and carry out specific responsibilities at County level. We value diversity and inclusion, and encourage people from all backgrounds and experiences to apply to join Suffolk Tennis, to help broaden our perspectives in everything we do. We want our members to be advocates for equality in the role they hold and to embed equality, diversity and inclusion into all work and functions.
