

Equal Opportunities Policy

1. SLTC is committed to making tennis accessible and open to everyone who wants to be involved in the game.
2. We support the development and implementation of practices that do not discriminate, either directly or indirectly. It is our policy to treat everyone equally, fairly, and consistently.
3. Our commitment to equality in tennis supports everything we do and covers:
 - Recruitment of members
 - Management of the Club
 - Participation in Club activities
 - Relationships with suppliers and local communities
 - Coaching
 - Team selection
4. STLC aims to ensure that all people irrespective of their age, gender, disability, ability, race, religion, ethnic origin, creed, colour, nationality, social status, or sexual orientation have a genuine and equal opportunity to participate at all levels and in all roles in the Club.
5. This policy will be reviewed annually at the Club Annual General Meeting, and appropriate steps will be taken if it appears that it is not fully effective and being delivered by every member.
