

Tennis Lancashire Player/Parent Code of Conduct

Congratulations on being invited to train with Tennis Lancashire. We know you have worked hard to reach this stage, and look forward to working together to help you reach your potential. As the finest talent in our County, you are ambassadors for the County at all times, a responsibility we need you to carry with pride just as we take pride in your performance on court.

Our criteria for selection for squads and teams are based on these expectations, and it is important that you understand them and commit to them. Ability on court is, of course, a core requirement, but must be allied to good behaviour – not only with the County, but at every Tournament and League you play in. Parents have an essential role to play in this, and we require your commitment to these criteria too.
