## Safeguarding and Code of Conduct

- The safeguarding of all of our members is of utmost importance and we have adopted a comprehensive Safeguarding Policy. This is displayed on our website at [www.tbltc.co.uk](http://www.tbltc.co.uk) and we have a designated Welfare Officer, Craig Jones, to whom any safeguarding issues may be raised.
- All members are expected to observe our Code of Conduct as set out in our Safeguarding Policy. These can be read in full on our website but the key items are:
  - Display good sporting behaviour at all times and do not argue with officials or other players
  - Use polite language at all times, with no swearing or shouting
  - Respect the rights, dignity and worth of all participants regardless of age; gender; race (including colour, nationality, ethnicity or origin); religious beliefs, or lack of them; or sexual orientation
