Review

James Barlow was crowned men's open singles champion at last, having been runner up on five previous occasions.
 The ladies' and men's open doubles champions retained their titles, while Anna completed the treble when the Baileys won the mixed.
 Maddy George announced her arrival by winning the ladies' winter singles and reaching the open final.
 James Hurworth took slightly longer, but now has his name on the men's winter singles trophy.
 The handicap tournaments were reintroduced towards the end of the year and would continue into 2024.
 The club also entered a team into the midweek 55 & over mixed doubles league for the winter 2023/24 season.
 Thanks to Roger K and Chris D for running the one day tournaments and to Edward for overseeing the social playing sessions.
 The club will be looking to add another one day event in October to support a local charity.
 Thanks also to James H for his maintenance work on the clubspark court booking system.
 Well done to all the club champions over the past year, especially those winning titles for the first time.

Review

In the summer leagues, the ladies' teams remained in their respective divisions while the men's saw significant change.
 Congratulations to the men's first team on winning all of their matches and promotion to division 1.
 Unfortunately, the men's second team went the other way and were relegated from division 4.
 The men's fourth team were promoted as runners up in division 9 and are now one division behind the thirds.
 The ladies' national league team also did well, finishing runners up in division 4.
 Thanks to Rob for his coaching and to all captains for organising their teams over the past year.
 Good Luck to everyone for the coming season.
