

UNITED LAWN TENNIS CLUB - USE OF CHANGING ROOMS POLICY

ULTC strives to ensure that all children are safeguarded from abuse and have an enjoyable tennis experience.

This document sets out the ULTC policy for the acceptable use of our changing rooms.

1. Groups of children will have sole use of changing rooms. This reduces any risks and potential vulnerability associated with mixing adults and children when changing.
2. If adults and children need to use our changing rooms, they will do so at different times.
3. Under no circumstances will adult staff, coaches or volunteers change at the same time as children using the changing rooms.
4. Mixed gender groups of children will have access to the separate changing rooms as provided.
5. If we are made aware that a child or adult self-identifies as a gender that differs from the gender they were assigned at birth, we will work with them and their parents/carers (where it relates to a child) to make reasonable adjustments to changing arrangements to suit their needs.
6. Mobile phones and other electronic devices must not be used in changing rooms.
7. For younger groups of children, a DBS checked member of staff or volunteer will wait outside the changing rooms to allow children to call for assistance if required.
