Cake Sale

Well what a Wimbledon 2023 was; full of fantastic tennis play and some big surprises. Wasn't it lovely to see new young blood come through to win the Ladies and Mens - particularly as 2002 was the last time that somebody else besides the 4 top greats won here (Djokovic, Federer, Nadal or Murray)!? It will be very interesting to see what happens in the US Open Tournament (28 August-10 September).
