# Warwickshire Tennis- Women and Girls Project

For the past few years Warwickshire Tennis have been offering opportunities for Warwickshire women and girls to get involved in tennis, with the aim of keeping them in the sport.

We have run events aimed at different ages, abilities using different format. We have also offered bursaries to help support females obtain coaching qualifications.

We are currently in the middle of promoting 'Girls Only' competitions that will be hosted by Kings Norton TC, with Matt Hillman, and Hall Green TC, with Cliff Allum.

We would very much welcome your support in promoting these events. We will also be emailing players directly.

We have more events planned in 2024 which will be shared on our website and in future newsletters. If you would like more information please contact Sarah, [support@warwickshiretennis.com](mailto:support@warwickshiretennis.com). Thank you to all the coaches and clubs that continue to spread the word about this project and our events!
