# Feedback from Participants

Such a fab opportunity- and Katie was SO lovely, especially answering quite tough questions from the kids!!

We just wanted to say what a great couple of days our players have had at edgbaston! They have loved playing on the courts, watching the tennis and getting autographs and photos. It has really inspired our players and parents!

Fabulous day, my daughter had a wonderful time. Such a special event, thank you so much for organizing.

Really great day, with fantastic organisation. Thanks very much

I attended Edgbaston on Thursday 16th June for a Girls Club competition U12 .

This was an absolute delight In how it was organised ( Give my thanks to Simon ) and the behaviour of all children and parents . There was such a good feeling and goodwill amongst all - No feeling of pressure whatsoever.

I was initially sceptical of the 15 mins time limit and format but realised very quickly it was ideal so hats off to the relevant people who thought of this and the points system .

This should defiantly continue and perhaps developed .

Thank you so much for another super event for the junior players held at Priory today. It was fabulous to see the youngsters enjoying playing at such a great venue. The standard of play was really high, and all the games were played with such good sportsmanship. It's such a treat for the young people to play in their club teams, watch (& meet) the professional players & they all enjoy a great day.

It was really special that Katie came to meet the young people, she was inspiring & so kind answering all the kids questions. Just such a treat!!

Thank you for such a brilliant event yesterday. The format was brilliant with the nice mix of mixed doubles at the end, it was brilliantly ran by Simon, so nice to have it alongside the Rothesay Classic Event and all our parents and players really enjoyed the event and would love to participate again in the future.

My daughter played in the 10u Warwickshire Club Challenge on Tuesday. I just wanted to say a huge thankyou for such an amazing opportunity! She had a great time! Simon was not wrong when he said it would be the best tournament of the year they would play!  
The event was very well run, relaxed and great fun.  
My daughter got to see lots of professionals play and get lots of pics and autographs! She even got invited on court by Camile Onsario to have a hit!  
An experience she will never forget so thankyou :)

Thanks to Graeme, Simon and Warwickshire LTA for organising this event.

Great experience for Team H&W. They enjoyed the whole day. Really good for the players to compete along side the pros and get to watch some of the best players in the world.

It would be amazing to do this type of event again and the format worked really well.

The players loved it and have all said they would love to take part in this type of event again.

It was great to have 8 courts available so matches could be 25 mins instead of 15 mins.
