

You may not be able to play tennis at the moment but you can take advantage of this downtime to get your racket in tip-top condition by treating it to a restring. So, head coach Mark Howard is offering a click & collect restringing service at the clubhouse.

He will operate via the patio doors from 9-10am on Mondays and Thursdays and members are asked to pay by bank transfer or PayPal.

Even if your strings don't break the experts say 'play once a week and you should get your racket restrung once a year! Twice a week, restrung twice a year and so on. All the strings on offer are of good quality

### **RAB (British) - Texflex** Cost £20.00

An excellent performance string offering balance of power with control. Texflex gives you a soft cushioned feel with minimal vibration.

- Power Rating: 8/10
- Control Rating: 8/10
- Durability Rating 8/10

### **BABOLAT (French) - Blast** Cost £22.00

The octagonal shaped string provides enhanced spin and better sliding between mains and crosses for fast string repositioning. Excellent combination of power and ball feel.

- Power Rating: 7/10
- Control Rating: 8/10
- Durability Rating: 9/10

### **RAB (British) - Endura/Texflex** Cost £22.00

A mixture of main string Endura providing superb durability and the cross string Texflex for comfort and feel on the ball.

- Power Rating: 8/10
- Control Rating: 8/10
- Durability Rating: 9/10

### **Volkl (German) - V Feel** Cost £24.00

A soft PU multifilament string that gives you more feel and touch, almost like a natural gut string. The fibre provides more consistent playability.

- Power Rating: 10/10
- Control Rating: 8/10
- Durability Rating: 7/10

### **Apollo (British) - Titanium Pro** Cost £18.00

A monofilament that combines controllable power with finesse and touch demanded by today's players.

- Power Rating: 8/10
- Control Rating: 8/10
- Durability Rating: 7/10
