

Courts Maintenance Policy 2020

THE FIRST 6 WEEKS

Weekly brushing length of the court and at right angles across it for the first 6 weeks.

THEREAFTER

Monthly brushing of courts

6 monthly application of weed killer to the perimeter of the courts

12 monthly application of algaecide

12 monthly check of sand levels

AT ALL TIMES

Sweep away obvious leaves or debris on the surface at the time of noticing

If weeds are seen, remove by hand at the time and dispose of in the green bin

A monthly review will be performed at time of brushing for stains, weeds and algae

NEVER

Never use metal implements to clean / shovel or scrape the courts.

Never use rock salt or chemical de-icers

Never wear footwear other than tennis shoes on court

Never smoke on court

Never consume food on court

Never take drinks other than water or squash on court
