

WEST OF SCOTLAND PADEL (WoSP)

Memberships & Costs

We are a **not-for-profit charitable status club** operating with a committee run solely by volunteers. We work hard to keep our memberships flexible and affordable, whilst ensuring the club remains sustainable. To secure that sustainability, we need our memberships to be longer term. Any profits made from our activities are invested back into the club with the aim of keeping membership fees down, whilst delivering the best padel experience possible.
