As can be seen from the tables above WCTC narrowly missed out on second place in the Summer League. A very good effort.

The winter league started well with wins in our first 3 matches but since then we have settled for a more modest position!

A huge thanks to all Wickham members who were able to play. It is great to see our pool of players getting bigger year on year.

Portsmouth News 11th Feb 2023

With a limited number of weeks left in the winter season, Portsmouth area tennis players welcomed the sunshine and attempted to catch up with the backlog of fixtures created by recent wintry weather.

Wins for Chichester 2 (3-1 against Southsea 2nds) and Fishbourne (3-1 at Wickham) moved them both into the promotion positions in Division 4.
