INTRODUCTION

Welcome to Joe & Scott Tennis. We hope this is the start of a great tennis journey with us! The purpose of this welcome pack is to provide you with any information you need about our coaching programme and answer any questions that you might have.

YOUR HEAD COACHES

Joe & Scott aim to spread the fun of tennis to as many people as possible, and ensure all their players get more opportunities to play, learn, compete and socialise.

Joe & Scott have extensive experience working with players of all ages and abilities and have a mission to ensure all players love the game of tennis from the very first ball they hit!

They lead a team of talented professional tennis coaches who deliver group coaching sessions on our comprehensive coaching programme and provide private lessons. All their coaches are LTA qualified and hold a recent First Aid and DBS check.

STARTING YOUR LESSONS

So you've booked onto our coaching programme. This is the start of your tennis journey with us!

Here are a few things you might need to know before your first lesson.

Membership

Our main venue is Wigmore ltc. If your lesson takes place there you need to check if you have an up-to-date membership. ALL JUNIORS on our coaching programme at Wigmore need to be a member (from as little as £26 per year). Adults don't need to be a member but can only have coaching for one term before needing to join or sign-up on the waiting-list.

All membership info can be found at www.wigmoretennis.com

Equipment

It doesn't matter if you don't have a tennis racket as we can lend you rackets for your tennis sessions. If you need any advice on purchasing a racket for yourself let us know.

All we recommend you bring are comfortable shoes to run in and sports clothes. You don't need tennis whites!

Cancellations/Rain

Coaching sessions may be cancelled due to bad weather. In these circumstances will try and give you as much notice as possible by text. Sessions that are cancelled due to bad weather are refunded at the end of term.

If a session is cancelled due to other circumstances (e.g coach absence) you will also be refunded at the end of the term.

You can read our full terms and conditions on www.joeandscott.tennis

SOCIAL TENNIS

Want to play more than just once a week? We've got you covered!

We have FREE social tennis sessions for all our juniors!

Kids Social

For tennis players 5 – 10 years, we run a fun social tennis session FRIDAYS 6 – 7:30pm.

A member of our coaching team runs fun tennis games and activities for players while parents can relax and maybe even enjoy a drink at Wigmore's bar!

Junior Social

For juniors 11 years and older we have a social tennis session on Sundays 2-4pm. Junior's are organised into doubles matches by a member of our coaching team. This is a great way for our players to have match practice with their friends, and even make new friends!

Kids Social and Junior Social only run during term time. There may be times when sessions don't run (e.g bad weather), so follow us on social media for updates.

TOURNAMENTS AND MATCHPLAY

We give all our players plenty of opportunities to get important match play and take part in tournaments.

Every half-term, over the Easter break and Summer holidays we run fun tournaments for our juniors to give them match play experience. They get to play with their fellow classmates and also make new friends as well. At the end of the tournament everyone is also treated to pizza! You can find our tournaments on the “events” page of our website www.joeandscott.tennis

Annual Summer Junior Tournament

This is our biggest event of the year and is a great way for players to test out their new skills. We have events for all age groups from under 8's to under 18's. Look out for the sign-up on our “events” page of www.joeandscott.tennis

Wigmore Open

This annual event sees Wigmore open its doors to the rest of the country and has players of all ages compete in a “Grade 4” LTA tournament. For our more keen tennis players looking for competitions this event is perfect to test your skills out against players from around Surrey. Look out for the sign-up on the LTA competitions website.

Surrey Team Tennis

Want to be part of the “Wigmore Warriors”? We have multiple junior teams that compete against local tennis clubs in Surrey. This gives players an opportunity to be part of a tennis team and represent their club around the county.

PRIVATE LESSONS

Private lessons can be the perfect opportunity to fine tune your tennis skills. Our coaching team do private lessons (1 or 2 players) or private groups (3 or 4 player) 7 days a week.

During peak times (Post 4pm weekdays and weekends) our coaches are especially busy! So if you are unable to get a private lesson slot that suits you, we have a private lesson waiting list. Once a slot becomes available we will get in touch. Sign-up for the waiting list on our website.

Rotating private slots

Most of our coaches have “rotating private slots”. These are designated peak times for a private lesson, but only for a “term” (usually around 12 weeks). After that the slot is made available to another player. This allows us to free up space to players on our waiting list.

PLAYER FEEDBACK

Want to know how your child is getting on? You can request player feedback from our coaches. The best way to do this is by emailing us on admin@joeandscott.tennis and we'll make sure you receive feedback from your child's coach.
