AUTUMN 2021

Dear Members ...

We are delighted to see our members back on court enjoying tennis again. This year has also seen an increase in members especially juniors joining our coaching program.

It is a shame that our members have not been able to enjoy the renovated clubhouse, especially with summer fixtures not holding the traditional teas after matches, hopefully this will resume next year!

Team News

Club Finals Day

It was a tough season with all teams, except the mixed team, moving down a Division. Let's hope next year we can see some more successes.

The ladies team is looking forward to a Prosecco evening on the 26th November and we look forward to seeing some photos.

A big Thank you to all team captains and players

TEAM NEWS

Thank you to all our teams for finding players during a difficult season. It was especially hard to field players with COVID still hanging around.

CLUB FINALS DAY

Our **Club Finals Day** was held on Sunday 15th September and we were very lucky to have great weather, if not a little too hot!

Thank you to all who entered and for the support of club members who turned out on the day. It would be lovely to see more members enter next year – everyone is welcome....
