

## Club Rules

- **Children:** Parents are reminded that the tennis courts are not supervised and that they remain responsible for their children. Children of primary school age should be accompanied by an adult.
- **Clubhouse:** The Committee and other members work very hard keeping the clubhouse clean and tidy. It is important everyone looks after the clubhouse at all times and that the courts are free of rubbish, empty ball tubes etc. Please do your bit to minimize risks.
- **Coaching:** Members may not receive any payment for coaching or any other activities at the club unless they have registered as a coach with the club.
- **Court Bookings and Availability:** All court bookings should be made via the LTA Clubspark booking system. This shows availability and courts booked for the following 8 days.
- **Floodlights:** Tokens are accessible in the switch box tray. Each token lasts for 20 minutes. A red light will appear on the side of the clubhouse when your time is running low with a 5 minute warning. **FLOODLIGHT USE IS NOT PERMITTED AFTER 22:30.**
- **Guest Fees:** If you bring a guest to play the total cost is £5 per session (up to a maximum of 3 guests). Our preferred method of payment of £5 is by BACS to the club bank account (sort code 30-98-90 and account number 17378060 - reference visitor fee). Alternatively, a cash payment of £5 can be made in the clubhouse by posting it through the letter box in the cupboard door next to the ladies changing rooms leaving a note in the visitor book with your name and the visitor name.
