

Woldingham LTC Court Booking Rules

The Court Booking Rules are designed so you can book a court easily and that the maximum number of our members can play and enjoy the courts. They are not designed to prevent people from playing.

- 1:** Court bookings will be available in 30-minute slots for the courts only, the maximum bookable time is - 1 hour 30 minutes, once a day.

- 2:** Each member and group of players can only book the clay courts once per day. This means different players in the same group cannot make consecutive bookings for the Clay. You can however book a second session on the hard courts. If any of the courts are unused, you can continue playing or use the court again on a “walk on basis” however a subsequent booking by another group will take priority.

- 3:** Bookings can be made up to seven days ahead.

- 4:** If you do not need your court please cancel your court booking so the court shows as available for others to use.

- 5:** If a member does not turn-up within 15 minutes of the allotted start time, they lose the court, and another member will be allowed to take the court, however common sense should prevail in these instances.

- 6:** Booking must be made at least an hour in advance of the booking time to avoid clashes with members using the court on a “walk on basis”.

- 7:** Finally, if using the clay courts please allow a couple of minutes at the end of the session to brush the court and lines before the next group of players start on the same court so the court is ready.

- 8.** Please double check your booking!

We understand there may be glitches and some things may need to be changed as we go along and ask that you work with us and will do our best to make sure your playing experience at Woldingham LTC is an easy and enjoyable one!
