

COVID CLUB RULES

After the Government's announcement we are delighted that the Ayr Lawn TC courts will be opening on Saturday 30th May. Please ensure your membership is up to date by rejoining as instructed in the Club email sent on Thursday 28th May (Club Secretary can do this for you if it's not possible via the website). Rejoining via Clubspark is necessary to give you access to our new court booking system. If you are having problems with Clubspark booking please email ayrlawntennis@gmail.com and a booking can be made on your behalf. When you book, the system will automatically email you a confirmation. You must also type in who* will be on court with you (sorry no visitors permitted at this stage). Bring this booking confirmation to the club with you or be able to access it on your phone if required to show it.

* we are still sorting out this feature
