

16 June 2020

Club Update

Court Booking Update

As of 16 June:

-  Courts can be booked for a maximum of 1.5hrs.
-  Outdoor courts can be booked until 9pm (instead of 8pm).
-  We do not have a date for opening our indoor courts – we think it will be 4 July.

Coaching Update

Club programme to start 22 June apart from tots and mini red.

We are looking to start the Tots and Mini Red groups in August or September depending on guidance and restrictions.

Gym Update

We are hopeful for a 4 July open - this may include restrictions other than enhanced cleaning and social distancing, such as limited numbers which we will manage using the same booking system that we use for court booking. We are ready and just waiting for the go-ahead. The gym will initially be open Monday to Friday 6am – 9pm and Saturday and Sunday 8am – 6pm, but this will be reviewed regularly.

Cafe Update

We thought we may have been serving takeaway drinks and sitting outside (using social distancing guidelines) from 22 June but we think this is now going to hopefully be 4 July. Although, as we all know, this could change at any time. We have not decided what the menu will be, but it will definitely be delicious! To start with we will be serving only coffee, cakes and healthy snacks. Other hot drinks and cold drinks will certainly be available and definitely the cafe team's legendary homemade sausage rolls and scones.

We will be carrying on our six-year Brazilian love affair with 200 Degrees coffee. We love supporting a local roaster, we love to support local businesses and we love our coffee. By using a local coffee roaster, we ensure that our coffee is fresh and at its peak flavour for you all.

Bar Update

Like the cafe, we were hoping to be sitting outside enjoying an ice cold cider in the summer sun on 22 June but that is more likely looking to be from 4 July too.

There won't be draught beer and cider available straight away. Bottled beers, ciders and soft drinks will be available along with the normal wines, prosecco and spirits which will be served in glasses.

There will be plenty of outdoor seating available to watch all the tennis at the accepted social distance.

Shop Update

As of 15 June, the shop has reopened for people to browse inside.

We can only allow one person/one household in the shop at any time, and will continue selling balls and grips through the window.

If you are interested in buying a new racket, you can have a look and try some out. The rackets are sanitised after each use.

All the usual items are still available; bags, visors, sweatbands, flip flops, clothes and shoes.

We have a small, new, stylish range of K Swiss, Wilson, Head and Babolat clothes and shoes. The courts have just had their regular maintenance and are playing super well, but in the summer it is important that you have good grip on your tennis shoes to avoid slipping over.

Restringing is going ahead, so if you have snapped a string or your racket doesn't feel like it should, drop it off and we can advise on what to do.
