

Stuart Calow

LTA Accredited+ Level 4 Senior Club Coach

Sport is a huge part of my life. My biggest passion has been tennis, which I have enjoyed playing since the age of five.

My highest competition experience is attending regional events for individual, and represented clubs.

I am originally from Yorkshire, but all my years of coaching experience (15 years) have been in Lincolnshire. Within this time, I have worked with individual players, groups and teams from beginners to a national level.

I am currently the Age Group Manager for Lincolnshire 10 & Under Girls. Our success during my time in this role has been to reach the Nationals in Sunderland, which is the first time in Lincolnshire history.

I am truly passionate about developing players and teams in an energetic and fun environment. I have recently joined this

incredible team at GTC, and I look forward to being on court with our members.

Favourite tennis shot: Trading backhand

Favourite tennis player: Andy Murray

Favourite film: Forrest Gump

Three dinner guests: Muhammad Ali, Bono, Robin Williams
