Changing Rooms and Showering Facilities

These guidelines apply to adults, and juniors (under 18years of age) sharing changing room facilities.

Adults must not change, or shower, at the same time using the same facility as children.

Adults should try to change at separate times to children during club sessions

If adults and children need to share a changing facility, the club must have consent from parents that their child(ren) can share a changing room with adults in the club

If children play for adult teams, they, and their parents, must be informed of the club's policy on changing room arrangements

Mixed gender coaching sessions must have access to separate male and female changing rooms

Mobile phones must not be used in changing rooms

Should children need to change/shower and are uncomfortable changing or showering at the club, no pressure should be placed on them to do so. Instead suggest they change and shower at home.
