

PRESS RELEASE – COUNTY WINNERS

30 January 2023

SODBURY WINS AVON TENNIS CLUB OF THE YEAR AWARD

Sodbury Tennis Club has been named Club of the Year by Avon Tennis.

The LTA-backed award is based on criteria such as coaching, member and community engagement and opportunities to play.

The club will now go forward with other county winners to a regional judging panel for the south and south-west with the regional winners announced in April. The national ceremony will be held in London in July.

These awards recognise and champion the people who deliver tennis locally and are split into nine categories.

Avon Tennis secretary Clive Sampson said: “The standard of entries this year was really high and I would like to congratulate all the winners. It is heartening to reward those who put so much effort into providing opportunities for others to play and enjoy tennis.”
