

Club Tournament Rules FOR 2020:

Tournament Start date will be **22 June 2020**

Finals Day will be set in advance and notified on all tournament entry forms/notices. **Saturday 19 September 2020**

Members can only enter themselves into the tournament via the notice board poster or an email to the tournament organiser

Eligible members include, invited juniors, weekday members, full adult and country members only.

Doubles partners will be selected using the 'out of the hat' system

Any player losing in the first round of the mixed doubles may be invited to complete a pairing where there is an in balance of men or ladies

All players are seeded by ladies/men's captains

Finals will be arranged so multiple finalists will get a break between matches if possible

Finals matches will play on court 1 but due to time constraints and lengthy matches a final may have to be played or started on court 2 concurrently

Club players must make themselves available all day on finals day before entering the tournament

Members who are on holiday for more than 2 consecutive weeks between the tournament start date and the finals day are not eligible for the tournament

As soon as participating players become aware that they are unable to make any part of finals day they must contact the tournament director immediately.

If someone pulls out of the tournament their partner will not receive another partner.

Each round will have a 'play by date'. If matches are unable to be completed by this set date the tournament organiser must be notified.

Members should provide their own balls or use the used balls available in the club rack. New balls will be provided by the club on finals day. **For 2020 players must provide their own balls for all rounds except for the Final.**

Matches should be arranged by the first player/pair drawn.

All matches are best of 3 full sets (tiebreak at 6 all) **For 2020 competition the third set will be replaced by a Championship Tie Break.** (First to 10 points with 2 clear)

For 2020 the winning player/pair will need to email the result within 24hours of match.
