## **Tealby Tennis Club Protocol for individuals assisting with transporting children <sup>1</sup> to tennis matches at other clubs.**

To ensure the safety and well-being of all our junior members involved in inter-club matches we require that all team managers and other volunteers or parents follow the guidelines listed below:

### **All drivers must:**

- Hold a valid driving licence and road tax for the type of vehicle being driven
- Be fit to drive and have no medical condition which affects their ability to drive
- Not consume alcohol or drugs which may impair driving ability
- Ensure that their vehicle is roadworthy and have a valid MOT
- Maintain a valid fully comprehensive insurance
- Check with their insurance company for appropriate insurance coverage

### **Safety:**

- Always ensure that all passengers wear seat belts and booster seats as appropriate
- A minimum of two adult supervisors will travel in the vehicle with juniors always sat in the back (in emergency situations it may be necessary for one adult supervisor to drive a child to a hospital)
- Use child-proof locks on rear doors where necessary
- Always drive safely without undue speed

### **Safeguarding:**

All Team Managers and accompanying drivers must have signed and submitted this document prior to the conveyance of any child. All adults are reminded that **NO inappropriate language or mannerisms** are used whilst children are in their care. Any safeguarding concerns or welfare issues should be reported immediately to the club Tennis Welfare Officer Issy Vincent , [welfarettbc@gmail.com](mailto:welfarettbc@gmail.com) or 07760472565.
