POINTS TO NOTE

GUIDELINES

What to wear:

Non-marking flat sports footwear must be worn at all times on the courts and bowling green. We recommend that suitable, season dependent sports clothing is worn.

A newly revised club kit is available from the TTBC Online Shop at <https://new.pbteamwear.co.uk/collections/tealby-tc>

What to bring:

All players are advised to bring drinks etc. in suitable sports containers especially during the summer months. We do offer an 'honesty box' café service when the Clubhouse is formally open.

First Aid:

Every effort is made to ensure the safety of our members, however ultimately you are responsible for your own safety. Members (and parents of junior members) must ensure they have access to their own inhalers, epi pen, etc. if necessary.

There are two first aid kits available to members. One is situated outside, at the entrance to the Clubhouse, the other is in the Clubhouse kitchen area with the accident log book. There is also a defibrillator on the Clubhouse wall facing the entrance driveway.

MAKE YOURSELF PROUD

What's Expected:

Spectators and parents are invited to watch all sports sessions. Children of primary school age must be supervised by their responsible adult all times when on Club premises and are responsible for their child's behaviour and safety.

We take the safety and safeguarding of children and vulnerable adults very seriously and have a dedicated Club Welfare Officer who can be contacted at any time. Details are available on the Clubhouse noticeboard along with the Club's up to date policies and a list of Committee members and meeting dates.

NON-MEMBERS

GUIDELINES

A £5.00 guest fee is payable for each tennis session the guest plays. This can be made online or by transferring funds to the Club's bank account.

Our Mini Tennis coaching sessions use shorter racquets, smaller courts and lower bouncing balls. As the children grow in size and skill level, so does the court size and equipment.

We currently offer junior coaching sessions on Saturday mornings and after school on Thursdays.

It is the role of the coach to offer learning encouragement and helpful tennis techniques to the players. If necessary, all coaches can be talked to in confidence after the session.
